We are happy to release CMP NEWSLETTER “चहक” 2023-24. CMP Newsletter is a medium that reflects the achievements of students while being a part of number of activities. It showcases the ignited minds of the students and the efforts put in by the teachers. It is an excellent medium to cater to the creative, verbal and artistic expression of students.

It is great to see that all the students are trying their best in every curricular and co-curricular activity. I acknowledge the H.M. and all the primary teachers for the successful completion of the academic year 2023-24.
